## Committed to Excellence

### FACULTY GOES INTERNATIONAL

Two of our faculty members, Miss Maria and Miss Christine had the opportunity to travel internationally for dance at the end of September! They had a great time dancing, performing and teaching during their time in Guatemala. While there, they were able to make many new friends and experienced dance from a whole new perspective. When they weren't in rehearsals or classes they were busy traveling and exploring. We are so happy that our teachers are reaching out for opportunities such as this to further their training and artistry!

### IT'S A BOY!

Congrats to Miss Gwen and her husband Dan on the birth of their third child, Samuel! He was born on August 30th at 11:51 am and was 21 inches, 8 pounds and 2 ounces. We can't wait for Miss Gwen to come back from maternity leave and for little Samuel to come visit the studio! Miss Gwen has missed all of her students and can't wait to teach all of you again!

### OCTOBER

The new season of fall brings many exciting things to our studio. Dancers from our studio had a great time performing at Cedarburg's Wine and Harvest Fest at the end of last month. Classes are in full swing and we have just finished our first "Bring a Friend" week. We've enjoyed meeting many new friends and had fun watching the dancers interact with their friends. October also brings the highly anticipated Kalahari dance convention in the Wisconsin Dells. Several of our students have been anxiously awaiting this fun-filled weekend of dancing. Our dancers love this convention so much that we keep going back year after year. If you couldn't attend this year, keep your eyes open at the end of next summer for

next year's information! Our companies at both studios are continuing to rehearse for their winter performance of "The Nutcracker." This is a great show for your whole family to attend! Advanced ticket sales begin November 1st for our public shows. Both companies also put on an early afternoon private show for field trips and group outings. If your child is in one of our shows there is a flyer on our group page and website that they can give to their teacher inviting his/her class to the performance. We are happy to perform for any school, senior center, or large group that would enjoy some entertainment. Just print off the form and once it is filled in, turn it in to our front desk! Happy dancing, everyone!

### BRING YOUR SLEEPING BAGS FOR...

the annual Lake Shore Dance sleepover! We will have a great time dancing, playing games, eating delicious food and making new friends. The sleepover is November 13th at our Saukville studio! Dancers have the option of coming for just the "lock in" or the full night sleepover. You can find registration forms at the front desk. You won't want to miss it!
