Committed to Excellence

JOIN OUR TEAM!

Applications are now out now at the front desk for our local competition teams! We have a team for your age level at both our Saukville and Cedarburg studios. This is a great opportunity for you if you love working together with other dancers and learning fun choreography. Our local teams will compete at one or two competitions this spring (in Wisconsin) and rehearsals start around January. Imagine dancing on a stage with other talented dancers while wearing beautiful costumes and hearing your family and friends cheering you on!

DANCING IN THE DELLS!

If you love to dance and your family would like a mini-vacation to the Kalahari, you should check out the Showstoppers Dance Convention in October! This is a family favorite at our studio and our dancers have a great time learning from famous choreographers and bonding. Stop by the front desk or check the group page for more info!

S E P T E M B E R

Welcome to our fall 2010 season! We are so happy that you have chosen our studio to bring quality dance training and fun to your child. We had a busy, exciting summer at the studio. Our competition teams traveled to the Wisconsin Dells for a National Competition and everyone did wonderfully! Our studio received many special awards and high scoring titles. The dancers had a great time splashing around in the water park after their performances! Congrats to all our teams that performed at nationals, both premiere and local! Our Danceit! Ensemble did an outstanding job of raising funds for Opening Doors for Foster Children through their performance in August and their various fundraisers. Our company members had

the opportunity to dance in many summer parades and perform at events like Fish Day and Strawberry Fest! Students continued to grow in their love and knowledge of dance during our summer classes. Our older division dancers had the opportunity to take wonderful master classes with Matt Hackman in the styles of jazz and contemporary! After a fun summer of dancing we are ready for our best fall session yet! We have many theme weeks planned as well as color weeks (wear your favorite colored leotard and tights to class the first full week of every month). Our company is hard at work preparing for our 2010 production of the Nutcracker!

Fall in love with dance this fall at Lake Shore Dance.
