

Private Instruction at Lake Shore Dance

Lake Shore Dance has been known for the best dance training available in Ozaukee county since 1993. In addition to our proven progressive class curriculum, we are pleased to offer one-on-one instruction with our outstanding faculty in both private and semi-private lessons. Lessons may be taken to supplement your dancer's classroom work or to learn a solo, duet, or trio to compete or perform in our spring production.

Look inside for more information on private lessons at Lake Shore Dance and enrollment information.

*Private lessons complement and supplement our studio curriculum. Lessons may only be taken in correlation with enrollment in regular classes at the studio.

Private Lesson Registration and Information

Committed to Excellence

Private Lesson Registration and Participation Information

Private lesson attendance/scheduling

Private lessons meet for a 1/2 hour one time per week. All lessons begin in the summer and continue through the following spring. Limited lesson times may be available in the fall.

Lessons will be scheduled before or after regular class times Monday through Thursday (generally before 4:30 PM and after 8:00 PM) or on Fridays, Saturdays, and Sundays. Scheduling is limited to available studio space and teacher availability. We will do our best to accommodate your dance schedule when we select a time for your child's lesson. Lesson times will be different for summer, fall, and spring based on availability.

In the event that your dancer will be unable to attend a lesson please call the studio so that we can inform the instructor.

Private lesson billing and payment

Private lessons are billed for the entire season and are to be pre-paid. Credits will not be issued for missed lessons; your instructor will schedule make-up lessons if necessary. Credits or charges will be issued if a dancer has a make-up lesson with another instructor at a different rate.

Please review the chart at the right for private lesson rates. These rates are for solos, The rate is 50% of the total rate per dancer for semi-private lessons, regardless of the number of dancers enrolled in the semi-private.

Private lessons beginning in the summer will be billed for 40 lessons at the instructor's rate. We require that dances for competition begin private lessons in the summer. Private lessons beginning in fall will be billed for 32 lessons at the instructor's rate. Absences can be made up. If a dancer cancels more than five lessons during the dance year, the instructor is not required to make-up any lessons over five. The family is not entitled to a credit for these lessons. If an instructor can-

cels more than 5 lessons, the client is eligible for a credit. This is the only instance that a credit may be issued for missed lessons.

Private lesson payments are due on the 15th of each month prior to the month the lessons are taken. A separate account will be created for private lesson billing. Invoices will be sent by mail to the billing contact. Checks should be written out to "Lake Shore Dance". You may also pay by Discover, Master Card, Visa, or cash. All lessons are pre-paid. For example, your August 15th payment covers the lessons in September. If you add lessons during the course of the year, you must fill out a new private lesson registration for that lesson prior to beginning and pay for the first month of that lesson. Your first private lesson payment is due on upon registration.

Private lesson invoices that are not paid by the end of regular reception hours on the 20th of each month will be charged a \$20.00 late fee. If a payment is not received by the 1st of the following month, the lesson will be cancelled and your account will be sent to collections.

How to Register

Registration for private lessons is in the first Monday in May. Your first month's payment is due upon registration. Please register for your lessons by filling out the private lesson registration form and turning it into the front desk. The desk staff will figure your private lesson tuition for you. No private lesson registrations will be accepted without a payment. All private lesson registrations are on a first come, first serve basis and space is extremely limited. Prompt registration is encouraged. In order to register, all other studio accounts must be paid in full.

All dances learned in private lessons are property of the choreographer and Lake Shore Dance. The choreography may only be performed with the consent of that choreographer and of Lake Shore Dance. In performance, the student must be registered or publicized as a dancer of Lake Shore Dance.

Choreography Blocks

Lake Shore Dance has a vast resource of choreographers that can create your next solo, duet, or trio. Choreography will be set in the summer sessions by the choreographer. Dancers will be expected to keep notes or video of the dances and are expected to

learn material quickly. The dancers will often work 1-4 hours at a time with the choreographer instead of regular weekly lessons. In the fall, a Lake Shore Dance senior faculty member or director will be assigned to rehearse the dance in regular weekly private lessons that are subject to the regular billing rates and plans.

Choreography blocks may only be paid for by cash, check or credit cards. Work study credits may not be used to pay for choreography blocks. Payment for the block is due when you register.

Costuming

Costumes for solos, duets, and trios learned in private/semi-private lessons will be chosen by the choreographer with input from dancers and families. Costumes will be purchased through Lake Shore Dance. The purchase price will generally be between \$70.00 and \$125.00 plus tax and the payment for these costumes are the responsibility of the dancer's family. The costume is the property of the dancer. Your private lesson account or competition account will be billed for the costume and must be paid by December 1st to allow for ample ordering and shipping time.

Private Lesson Tuition Rates

All rates are per half hour except for the choreography blocks.

Choreography Block	\$250.00
