PRIVATE INSTRUCTION INFORMATION

Committed to Excellence

Important Private Lesson Information

- Private lessons meet for a 1/2 hour one time per week. All lessons begin in the summer and continue through the following spring. Limited lesson times may be available in the fall.
- Lessons will be scheduled before or after regular class times Monday through Thursday (generally before 4:30 PM and after 8:00 PM) and also on Fridays, Saturdays, and Sundays. Scheduling is limited to available studio space and teacher availability.
- In the event that your dancer will be unable to attend a lesson, 12-hour notice must be given by calling the studio. The faculty member will try to schedule a make-up lesson.
- Private lessons are billed for the entire season and are to be pre-paid. Credits will not be issued for missed lessons; your instructor will schedule make-up lessons if necessary. Credits will be issued if a dancer has a make-up lesson with another instructor at a different rate.
- Private lessons beginning in the summer will be billed for 44 lessons at the instructor's rate. If a dance is to be taught for Premiere Competition, the lesson must begin in the summer. Private lessons beginning in fall will be billed for 34 lessons at the instructor's rate. Both billings allow for two absences during the 36 week (46 including summer) dance year. Any absences in excess of two will need to be made up. If a dancer cancels more than five lessons during the dance year, the instructor is not required to make-up any lessons over five without the opportunity for a credit. If an instructor cancels more than 5 lessons, the client is eligible for a credit. This is the only instance that a credit may be issued for missed lessons.
- Please register for your lessons by filling out the

private lesson registration form. All private lesson registrations are on a first come, first serve basis.

- Private lesson payments are due on the 15th of each month prior to the month the lessons are taken. A separate account will be created for private lesson billing. Invoices will be sent by mail to the billing contact. Checks should be written out to "Lake Shore Dance". You may also pay by Discover, Master Card, Visa, or cash. All lessons are pre-paid. For example, your August 15th payment covers the lessons in September. If you add lessons during the course of the year, you must fill out a new private lesson registration for that lesson prior to beginning. Your first private lesson payment is due on May 15th (summer start) or August 15th (fall start)
- Private lesson invoices that are not paid by the 20th of each month will be charged a \$20.00 late fee. If a payment is not received by the 1st of the following month, the lesson will be cancelled and your account will be sent to collections.
- All dances choreographed by faculty members of Lake Shore Dance are property of the choreographer and Lake Shore Dance. The choreography may only be performed with the consent of that choreographer and the consent of Lake Shore Dance. In performance, the student must be registered or publicized as a dancer of Lake Shore Dance.
- Costumes for solos, duets, and trios learned in private/semi-private lessons will be chosen by the choreographer with input from dancers and families and will be purchased through Lake Shore Dance. The purchase price will be between \$70.00 and \$125.00 plus tax and the payment for these costumes are the responsibility of the dancer's family. The costume is the property of the dancer. Your private lesson account will be billed for the costume and must be paid by December 1st to allow for ample ordering and shipping time.
- Choreography blocks may only be paid for by cash, check or credit cards. Work study credits may not be used to pay for choreography blocks.

AM I READY TO BE A SOLOIST?

Dancing a solo is a great opportunity to take the stage and show the world what you can do! Dancing a solo is also a huge responsibility. Go through the list below and see if you are ready to perform a solo:

- Have you made a serious commitment to yourself and to dancing?
- Are you willing to work on your own to improve your solo, including taking the choreography apart count by count, and analyzing every aspect of the movements?
- Are you willing to rehearse your solo full-out all the time in order to build stamina
- Are you willing to perform your solo with expression and confidence—even in rehearsal?

If you've honestly answered "yes" to the above questions, you are ready to begin that solo!
