Children performing in multiple shows

If you have a child that performs in two or more of our spring shows, or have multiple children enrolled at Lake Shore Dance who dance in separate shows, you are eligible to receive one free ticket to the other show(s). You will need to fill out the coupon below and turn it into the desk prior to April 4 to get your free ticket voucher. The voucher will be mailed to you prior to the advance ticket sale time period pending approval from the office manager. Free tickets will not be distributed without the voucher and vouchers will not be reissued if lost or stolen.

If you don't wish to attend all the shows that your child performs in, it is perfectly acceptable to drop your child off at call time and pick them up after the show is done.
